

## Position Description

Title: Electrical Estimator  
Reporting To: Estimating Manager  
Location: Edmonton, Alberta

Braid is searching for an Electrical Estimator to join their team in Edmonton, Alberta. Reporting to the Estimating Manager, this role is responsible for providing electrical estimating services to Braid's estimating group. This individual must be able to take initiative, set priorities and be able to produce a detailed proposal efficiently.

### Duties and Responsibilities

- Prepares competitive electrical estimates for upstream oil and gas facilities, modular buildings and oil sands projects.
- Provides assistance to project managers and field personnel.
- Interfaces with clients and contractors during pre and post-tender applications to develop effective business relationships.
- Conducts cost analysis at completion of project.
- Complies with standards and procedures of Braid's Health & Safety Manual and Occupational Health & Safety Regulations.

### Skills, Abilities and Educational Background

- A Journeyman Electrician with 2+ years supervisory experience or an estimator with 3+ years previous electrical estimating experience.
- Some post secondary education in a related discipline is an asset.
- Field experience is an asset.
- Intermediate MS Office skills, including Excel, Word and Outlook.
- Exceptional time-management skills; ability to prioritize and execute multiple tasks quickly.
- Thrives well in a busy, deadline oriented environment.
- Self-starter with the ability to work in a team environment or independently.
- Excellent organizational and communication skills.
- Solid customer service skills.

### Compensation

Braid offers a very attractive compensation package that includes a competitive salary, a full benefits plan that is effective on the first day of employment and a matching RRSP program. Braid has an open and team-oriented culture that focuses on communication, integrity, innovation and respect. Employees take pride in their work and are the single most important reason why Braid offers superior customer service.
